“ *Dave was always ready and willing to go golfing. The few exceptions were care group meeting and bible studies with his group. The night before his surgery I texted him praying that all goes well for you and a quick good recovery. His reply was can't wait to get back on the course and back at church. Now a short golf story. A couple of summers back when golfing with another gentlemen the gentlemen made mention of a tree branch he needed trimmed but was unable to do it safely. Dave said he would help help him. Later that day Dave shows up with his saw and boom it is done. You have to realize that this was a 30 mile round trip for Dave. THAT WAS DAVE!!*

We are so sorry to hear about Dave's death—but rejoice he is walking with our Lord—looking forward to seeing him when God calls us home. We have so many wonderful memories of Dave. Frank always appreciated serving with him on the boards in Lafayette. Know you are in our prayers as you begin life in a new normal!

“ I always enjoyed working with Dave at Kraft. He knew operations and was a proponent of using "data" to make business decisions. My sympathies to his family for their loss.
