“ *To the family of my dear friend, Milda.
For some reason I decided to go online tonight to check the
Loveland obituaries. Thank you for placing the announcement of
Milda's passing there. You may remember that Milda and Dick and
I were across the street neighbors in Loveland. She was a GRAND
lady, and a wonderful friend and neighbor. We shared our love of
sewing and always admired each others work. She was soooo
talented. After she moved to Ft. Collins we had occasional
visits...she always remembered my birthday with a card. When I
moved to Mexico I was without postal service and therefore lost
touch...She is in my heart always.
