May 29, 2021

Miriam Katasi Likimani was a beloved mother, sister, cousin, aunt, and grandmother, who passed away on the night of May 29, 2021 at her home in Fort Collins, Colorado. Miriam was born in Dar-es-salaam, Tanzania to the late Dr. Jason Clement Likimani of Kerarapon, Kenya, and Ms. Evelyn Gweralusi Balintuma of Mengo, Uganda.

Miriam was a registered nurse and midwife who trained at Paddington General hospital, London, Guys hospital, London, and Hammersmith hospital, London. She started her career in the United Kingdom and then later returned home. She had a long illustrious career based in Uganda and Kenya, for both governments in the Ministry of Health and with Non-Government Organizations. She first worked in Uganda with the city council at Kiswa health center Nakawa, Uganda and then Marie stopes clinic Nyeri, Kenya. She then got a job at International Planned Parenthood where she spent most of her working life. The job had her travelling and working across the globe. Later she worked with Médecins Sans Frontières at the Liboi refugee camp in Kenya and later transferred to Mogadishu, Somalia.

Miriam was an avid reader and treasured her family and friends. When she was younger, she played tennis and volleyball. She was also a fantastic seamstress and had an amazing green thumb. Everywhere she lived she was surrounded by plants that she had lovingly nurtured, She is survived by her

brother Dango Mwinyipembe, sisters Msindo Koff, Kelai Ayume and Sopiato Likimani, her only child a daughter Vanessa Namuyaba Temanju, her only grandson Michael Malaika Ssimbwa, and many cousins, nieces, nephews and great nieces and nephews.

“ Auntie Miriam was a very good friend of my Mum Nobusi Kisosonkole (R.I.P.) They were more like sisters. I was very young but I could feel their love. I remember that she was dedicated to her work. In the 70s there was a vaccination drive and she would drag me to every school that was vaccinating! But I wouldn't mind because I would be rewarded with sweets. So Vanessa and I automatically became sisters as well (I'm much older than her though). Auntie Miriam will be greatly missed. May she rest in eternal peace. May God comfort you all.

“ Miriam quietly entered our lives in Nairobi when Vanessa was about 6 years old, with no fanfare. That's how she was. Over the years, we came to know her as Auntie Miriam as she became part of our family. Indeed, when my late mother returned to Uganda, Auntie Miriam was a constant companion. They shared some memorable times together as they had friends in common, with a lot of laughter and good cheer. May She rest in Peace.
