“ *To Nam's Family,
We are so deeply saddened at the loss of your dear son and brother. We can't imagine your pain and sorrow. We fondly remember him when he first became a part of your family and we watched him grow up (thought somewhat from afar) to a fine young man. We hope that your memories of him sustain you during this most painful time.
Our thoughts and prayers are with you all,
Love,

“ Dear Bailey, Nancy, Ross and Family,

You have been so much in my thoughts and prayers since reading of Nam's passing. From my own experience of losing a brother much too early in life, I know what shock and emptiness I experienced. I hope that carrying Nam with you in spirit may be of some comfort.

Please feel free to contact me.

Sincerely,
