

Nancy Rene' Arthur

March 10, 1953 - July 2, 2014

Nancy R. Arthur - who was incredibly loved by her family and friends - passed away in her home on July 2, 2014. She was preceded in death by her parents, Gerald Arthur and Ruth Renzema Arthur, and her brother John Arthur. She is survived by her daughter Christian Coffman and her son Sean Coffman, her brother Max Arthur, her sister and brother-in-law Andrea and Wayne Larson, her sister-in-law Tina Arthur, as well as a niece and several nephews.

Nancy was born on March 10, 1953 in Boulder, Colorado where she grew up and graduated high school. She spent her early twenties living in Alamosa, Colorado and traveling the Rocky Mountains. In 1977, Nancy moved to Fort Collins where she obtained her Undergraduate and Master's Degrees in Nutrition from Colorado State University. She spent the majority of her professional career as a Dietitian with Poudre Valley Hospital and then once she obtained her Certificate in Geriatrics, she began working as a Service Coordinator with Oakbrook and joined the Board of Directors with Meals on Wheels where she volunteered for 10 years.

Nancy was a person who loved life and had many interests. She loved to take her kids camping and hiking as they grew up. She loved to listen and dance to all kinds of music. She had a great interest in the Native American culture. She loved and surrounded herself with many different kinds of animals; but most of all she cherished her relationships with her friends and family.

A memorial service will be held on July 19 at 2 p.m. in the Cherokee Park Room at the CSU Lory Student Center. In lieu of flowers, donations may be made to Meals on Wheels of Fort Collins through www.fcmow.org.

“ Nancy and I were colleagues at N&H Enterprises until 2010 when the Georgia Service Coordinators were transferred to another company. I always looked forward to annual training events when Nancy and I could share time. One year she and I gave a joint presentation which was a delight! I am deeply saddened to hear the news of Nancy's death. She lived life to the fullest and always had a smile. My prayers are with Nancy and her family!

Nancy's passing deeply saddens me. She was the finest registered dietician I ever worked with in the PVH system. She walked both worlds of conventional and holistic medicine. There was healing in her work and her words. I miss her company and her conversation.

“ We are deeply saddened and shocked at the passing of our dear friend, Nancy. She was family to us and we loved spending time with her and catching up all the time on the phone. We rode the roller coaster of life with her and we wouldn't have had it any other way. She had a spirit about her that was such a joy. She will be greatly missed but we will cherish the memories in our hearts forever.

“ I am saddened to hear of Nancy's passing. While we were out of touch in our adult years, Nancy and I grew up together in Boulder and, as early as kindergarten, we walked to school together. All through school Nancy was a gentle soul and always had that pleasant, understanding smile on her face. My thoughts are with her family and friends during this difficult transition.
