“ *We have had the pleasure of knowing Nancy Skrdland for over 40 years. When we first moved to Fort Collins we were invited to join a gourmet dinner group. The Skrdlands were members of that group and that started a wonderful relationship we developed with Nancy and Lee. Over the years we did many things together not only as our children were growing up but later on as it was just adults. Nancy was a wonderful lady, always viewing life in a very positive light. She was a dedicated mother, wife and grandmother(Gog). We will remember the great parties, good food, card games, laughs, a day and night in Gould, backyard parties, dressin up special for gourmet nights, etc. But mostly we will remember Nancy always with her caring ways, her beautiful composure and always looking like she just emerged from a beauty salon. She will be forever in our hearts and minds as she rests in peace with our Lord and Saviour. God Bless Lee and Family - we will sincerely miss our friend.*

“ Mom was a beautiful woman inside and out. I gave her a journal a few years ago that asked questions about her life. In the section that asked about what she always wanted to be when she grew up the answer was "a mother". Her second choice was a matador.

Mom never made it to Spain but like a matador, she was strong in her convictions. Ultimately every decision she made was for her family. She was protective and loving, funny and warm.

As a child I remember walking home from school and smelling the fresh baked bread. We would wrap egg sandwiches in wax paper and go to the park. As an adult Mom supported my career and personal goals. We talked about favorite books, decorating, shared recipes and personal feelings. We had many common interests and I enjoyed our adult conversations.

As she became more ill, I knew she was in pain but she always said "I'm fine". She did not want her children to worry.

People say I am like Mom. What a compliment. I miss her terribly but know she is joyful at this moment. She is with my brother and her parents. Someday I will see her again.

“ Nancy was a very good friend and we have many good memories of good times together. We had many good discussions as our families were growing up. We will miss her but know that she is at peace in a better place and is with Tom.

“ *Mom is a wonderful mother-in-law. She and dad welcomed me and my daughter, Ysabella, to the family with open arms. She helped me so much in coordinating my wedding in CO while I am in CA. She always thought of things I never would have thought of. I can always talk to her anytime and she always made me laugh. I will miss her very much.*

“ *I am so sad to hear about Nancy's passing. I worked with her at Associates in Family Medicine for many years. We had wonderful, sometimes very thought-provoking, discussions. What was always so clear to me, and will remain a lasting memory of Nancy, is how much she loved her family. She was totally devoted to Lee; she was proud of her children; and she absolutely adored her grandchildren. Many of our conversations centered around her family. After the grandchildren arrived on the scene, she always had wonderful stories to tell as they progressed from one stage to the next. I particularly loved what they called her... "Gog!" To all her family, she will be missed terribly, but there is no doubt that she has left you all with wonderful memories that will be with you forever. Nathalie Woodruff*

“ Mom loved to read. Recently, her and I were reading a lot of John Steinbeck. She borrowed my books, and I borrowed hers. In spite of Steinbeck's well-known epic novels, her favorite was "Tortilla Flats". She loved the characters, the "paisanos". She loved how, no matter what they did, it was always with the best intentions. They all had a good heart. Mom was the same way. She always had a good heart. She was hoping to come out to California to see if there really was such a place in Monterey. She's with Tom and her parents now, but I think a part of me believes she's keeping an eye out for those "paisanos", and if she sees them she'll smile and wave hello. I will miss you.

“ The first time I met Nancy Skrdlant was in 1970... Lori, Nancy's daughter, was my first friend in 2nd grade @Moore elementary school. Unknown at that time, our parents knew each other from Sidney, NE.
Lori, had invited me to play at her house after school. During the seemingly long walk to the Skrdlant house, Lori said we would stop at this one house on our journey where a mean old lady lived and see if she would just give us a glass of water. We rang the doorbell and Nancy opened the door. Lori said, "...Hi mean old lady...we just want a drink of water, please." Nancy played right along, in a mean old lady voice said, "oookay, little girls--come in a get a drink and then get on your way."
Nancy was a beautiful and fun loving woman -- the mom at the house where we always loved to play.
My deepest sympathies for your family.

We are so sorry to hear of Nancy's illness, her passing and your loss. We remember Skyline Drive and our kids playing together. Our late night card games and the laughter we had. I can still hear Nancy's unique voice and laughter.

“ Nancy, or as I will always think of her, Mrs. Skrdlant, was a lovely woman who was always interested in "how you were doing". I grew up with her daughter, Lisa, and spent a lot of time at their home; she was like another mom...always welcoming and warm, but you also had to follow the rules. Her passing is so sad, and she will be truly missed, but her love and the light of her spirit will live on through all of those who's lives she touched. My prayers are with her family.
