

Natalie H. Storie

August 17, 2023

Natalie H. Storie passed at the age of 60 on Thursday, August 17th in Fort Collins, CO after an intense battle with Amyotrophic Lateral Sclerosis (ALS). She fought to the end and died peacefully. Her husband, Allen Storie, was with her for her final moments.

Natalie was born in Santa Monica, CA and moved to Colorado in the 1980s where she met her husband and married. She raised a family in Fort Collins, CO before moving to Oak Creek, CO, and then to California and Nevada. She and Allen traveled the world and had many adventures.

She was very social and made many friends. Her heart was giving and touched everyone who knew her. We are saddened and devastated by her loss but her memory lives on in all of us.

Natalie is survived by her husband and daughters, Natay and Allie.

In lieu of flowers the family requests donations be made in Natalie's name to:

“ Once, while I was working wine jobs and living with a hunter/trapper on the outskirts of Sonoma County I met Natalie. She invited me into her home and treated me like family. I have never met someone who had such a great and profound positive impact on my life in this way. The Storie Family brought me to my feet nearly 2,000 miles from home. I'll never forget that kindness and will forever be grateful.
