“ *So many of my childhood memories that I hold very dear, are of the time I spent with my Aunt Nina. She was not only my childhood babysitter, she was always there to lend a ear or a shoulder as I grew. She was the Mom so many kids never had. You could safely that she would be there to keep us out of trouble or she would be right in the middle of one of our rowdy adventures. She was a beautiful person and I am so thankful I got to call her my Aunt.*
