“ *My condolences on the passing of Nobby. We went to high school together and would hang out on Friday nights and weekends. I remember us taking out his car, I think it was a first generation Honda Civic onto the baseball diamond at Bloomfield High and running the bases. I don't think the coach ever found out. Many fun memories and am very sad to hear of his passing. Claude Chavez*

“ Nobby was a very special person/neighbor. So glad to have been their neighbors in Odessa and we still got to be friends in Colorado for 2 years. He will be greatly missed. RIP Nobby.
