“ *Christensen family-*

I grew up on Park Avenue in Worland, down the street from your mom. She was a wonderful person to have in the neighborhood as well as in the classroom. I still have a gift she brought to me after she had traveled to Korea in the early 80's. We shared a love of running and I will always remember her smiling face and sense of humor. What a beautiful woman and I'm so sorry for your loss.

“ *To the family of Norma;*

Doug & I wish to send our condolences to all of you. We lived near you guys in Worland, and of course Doug taught with Norma for years at the high school. We remember Susan and Hedy. We spent lots of time on the track, on the road, and in the school halls running or walking the same time as Norma, and Hedy. Your mom was such a special woman; as an educator, a woman, and a friend. We had some great conversations over the years both serious and comical. We retired and moved to Cody nearly 14 years ago, but we've kept in touch with many of the high school teachers. We knew Norma had moved to Colorado, but we didn't keep up with what she did after she moved. Unfortunately, many of the older teachers at the high school are gone. We miss them all, as we miss your mom, but we have some wonderful memories. Our best wishes to all of you.

“ Dear Hedy, Susan, and Tom,
I was quite saddened to hear of the loss of your mom, whom I consider to be a pivotal influence for me at Worland High, and a good friend. I remember her faithful jogging, even at 3:00 AM before leaving for Cheyenne!
She introduced me to being a Lay Reader at St. Alban's, where we were once charged with leading to whole service in the absence of Father Wolfrum. We went to church to practice, and decided that we had the best top hat and cane service in the Diocese:-).
Your mom was such a beautiful seamstress, musician, and teacher. She had a great influence on many, many students. I am so thankful for her presence in my life, and sorry that we have lost her.

“ Hedy I'm sorry to hear about your mother. I remember how she was my mom away from my mom and how she was so concerned about my weight loss during wrestling. I will miss her. Sorry for your loss.

“ Sorry to hear of Mrs. C's passing. I remember her fondly from Worland High (class of 1982) and from painting her house with my father (Jim) and Keith Stutheit in about the summer of 1980. I remember seeing her jogging around town until she retired and left. God bless.

“ Met Norma here at Sunflower. Our politics, sense of humor, choice of books, love of music and plays, and eating out - a glass of wine and good conversation. We attended together the Carousel/Midtown Arts Centre dinner playhouse for the complete seasons for at least eight years, and enjoyed every minute. Through Norma, my husband, Ron, and I became friends with her daughter Hedy and her husband Rich Shipman. Such a delight. Norma was outspoken, loved shoes, clothes, the Democratic Party, reading and so much more. I will miss her terribly.

“ The loss of a remarkable lady. I did not know her outside of the high school classroom, but she had a talent for the written word and showed us the best, always. Our thoughts and prayers to the whole family, it was an honor to know her.

“ To Norma's family:
My first introduction to book groups was the Basin group Norma led several years for the Wyoming Council of Humanities. She brought a wealth of learning and a breadth of worldly experience to our small town.

“ What a great lady Norma was. I thought very highly of her and we had some great visits when she lived here and came to the bank. I will always remember her story of wanting to go in the service and fight the war and was afraid it would be over with before she got there. She did something that I always wanted to do, join the Waves. I think that was a bond we shared. Thoughts and Prayers to all of you.

*Always a friend.

“ Hedy,

As I'm sure you know, one of my fondest memories is of our wonderful trip to Virginia with your mom. What a fun time. Norma was so funny with her comments when the helicopters flew over and when the big ships passed by! And oh, those sunsets viewed from the deck with our wine glasses in hand. It was so refreshing to talk to someone with Norma's intelligence and broad world view. It was a privilege to have known her. I am so very happy that you were blessed with the special times you had with her recently.

Much love at this time and always, Kay

“ Norma was a classy lady. My daughter, Holly, was in her English class and also did some work for her during high school (26-27 years ago). Norma added grace to the Worland City Council. She will be remembered fondly. My condolences on the loss of a truly nice woman.
