

Olivia MacDonal

July 19, 1995 - April 12, 2010

Olivia Ann MacDonal, age 14, of Watkins and Loveland, died Monday, April 12, 2010 in Watkins. Mass of the Resurrection will be held at 11:30 AM Saturday at Blessed John 23rd University Parish, 1220 University Ave., Fort Collins. Interment will follow the service in Grandview Cemetery. A beautiful, warm-hearted, generous, quick-witted and loving person, Olivia left us too soon. She was born on July 19, 1995 in Lafayette, Indiana to Fred and Judy (Day) MacDonal. After spending her early years in Boise, Idaho, Olivia would come to call Loveland, and later, Watkins, home. In Loveland, Olivia attended Sarah Milner Elementary and Walt Clark Middle School, where she excelled academically, socially and artistically. A multitalented young woman, Olivia also played volleyball and participated in track. This year, Olivia continued to excel as a ninth grade student at Bennett High School in Bennett, CO. Wise and compassionate beyond her years, she always put other people first and accepted them for who they were. Olivia's genuine appreciation for humanity was clear to anyone who knew her. She is survived by her parents, Fred MacDonal of Watkins and Judy (Day) MacDonal of Loveland; her step-mother, Shelley MacDonal, and two step-brothers, Bill and Cory MacWithey of Watkins; her grandfather, Neal MacDonal of Malone, NY; grandparents, Kathy and Bill Barber of Franktown, CO; and numerous cousins, aunts and uncles. Olivia is preceded in death by her maternal grandparents, Donald and Patricia Day of Spring, TX and her paternal grandmother, Huguette MacDonal of Malone, NY. Olivia's family requests that any memorial

donations be made to the Suicide Task Force in care of Goes Funeral Care,

“ Olivia, your birthday is in 5 days! You would've been turning 30 this year! I miss you every day beautiful girl. You were one of a kind, irreplaceable, the type of best friend you never forget. I just know we'd still be besties today if you were still here. The truest friend I've ever had, to this day I've never met someone like you. We were the best friends that were like soulmates. No competition, no envy, no fighting, no judgement. Just pure love, care, and acceptance. I miss how genuine, funny, and FUN you were! I cherish my memories of all of our laughs, all of our dance sessions, all of our crying sessions, all of our hugs, our deep talks, wrestling around, singing our hearts out, eating our body weight in shells & cheese 😭 I love you and think of you always! I hope your soul feels nothing but the peace and love you always deserved ❤️ I can't wait to see you again one day 🙏 happy birthday, Angel 🙏

“ I didn't know your daughter, but I saw the obituary in the I-70 Scout. I wanted to send my sincere condolences, and deepest sorrow for your loss. I lost my son 8 years ago today when he took his own life, and I remember it as it was yesterday, as I'm sure you will feel the same. If I can help, please give me a call.

“ I had the great pleasure to be Olivia's teacher for both 4th and 5th grade at Sarah Milner Elementary. I remember so well her smiling face, her giggle, and her curly red hair. Although she was very quiet, Olivia had many friends and got along with everyone. She was a very good student and worked hard in all of her classes. I loved her writing in particular. I remember how proud her mother was of her at conferences, and how Olivia would glow. I am so very saddened by the tragic loss of this beautiful girl. Please know that you are in my heart and prayers. May the happy memories of her sustain you through your darkest hours.

“ Dear Judy,

My heart aches for you. The funeral was a beautiful tribute to a very special young woman. I admired your courage in speaking about her. When I think back about all the many children I have taught through the years, Olivia is a very warm, special memory. I remember her glowing smile and her pretty red hair. She touched my heart in a very special way. I remember the special relationship she had with you when you came in to parent help. Words can't express my love and concern for you. You are in my thoughts and prayers.

“ Dear sweet Olivia who had a smile to light up the room. She believed that people should be treated with kindness and fairness and became quite frustrated when she perceived injustice. I treasure her fervent passion for genuine friendship.

“ I will miss Olivia alot just as every one else will. I will always remember the good time that we had in Washington D.C. Most of the time we were there me and Olivia hung out. I remember how funny it was trying to pick up all of the skittles off of the hotel floor before our friend came in and realized we got in a skittle war. We had a great time and i will always remember the good times that we had. I will miss her very much
