“ With Love to our Beautiful Sister, "PJ"

*No words can express the emptiness we all feel. We will forever miss you and we will treasure the heartfelt memories we each hold in our hearts. When watching a Broncos/Rockies game, when camping, or seeing hot air balloons or making family recipes all the things you enjoyed, we will always think of you and all the fun times we all shared through the years.*

*From being a High School Pom Pom Girl to a Candy Striper to an Executive Secretary, you always made friends along the way and touched the hearts of so many.*

*Forever in our hearts your sisters and brother; Patti (Jim), Brian (Sherry), Paula (Frank), Priscilla (Roger). We would also like to include many nieces, nephews, cousins, aunts and special friends.*

*As our Dad always said "Bye for Now"*
