

## Parker James Walton

June 29, 2012 - September 30, 2022

For those of you who know me and some who have only heard about me, I am Parker James Walton, a fiery, fierce, fun loving, talkative kid who has never met a stranger.

I was born June 29, 2012 in Fort Collins and lived in Laporte, Colorado my whole life. I loved playing football, riding dirt bikes, surfing, kneeboarding, snowboarding, riding snowmobiles and doing sweet tricks on the trampoline. Above all I just loved life and being silly. Last school year I really kicked butt for Cache La Poudre Elementary. I received first place in all my track events and even took District Champion in the triple jump.

I loved going to Poudre to watch my brother play football and hanging out with all the big kids. I loved helping take care of our foster dogs. I loved spending time with my family and friends – they all mean so much to me.

An unforeseen tragedy took me home with God September 30, 2022 in Ensenada Mexico. My Grandpa Dan was there waiting for me on the other side.

Sadly, I leave behind my mom Jamie Seiler, my dad Jason (JT) Walton; my only brother Cooper Walton; my grandparents Jim & Ruth Thomas, Vivian Freeman, Anna Taylor, Mary Lou Thomas and Grandma Linda; my aunts &

uncles Dennis & Shannon Gallegos, Christi Walton, Shannon Bidwell, Deb Ellis and Greg Mathiason; cousins Paul (Jesse) Reese & James Gallegos, Taylor & Mikey Gallegos, Jayleen Walton, Travis, Brook, Bryce, Colby, Shelby and so many more I wished I had more time with. I will miss my dogs Luna and Yukon.

Thank you all for loving me and praying for my family – we all need it.

Memorial Donations can be made in my honor to:

“ *We are so very very sorry for your loss. Julianna enjoyed knowing Parker and will miss him so much. He was a great CLP kid. She shared one of her favorite memories yesterday. She said he was very funny and more than once got in trouble for throwing food at lunch. She said he would just smile, laugh and say you only live once. Please know our thoughts and prayers are with you, Tiffany, Josh, Mokonjay and Julianna Lehman*

“ *I didn't know Parker, so no memories to share. After reading his very touching obituary, I'm sorry I didn't know such a special young guy. I'm sure the many positive memories from friends and family will be loving and plentiful. Reading about Parker stirred heartfelt feelings for his family and I'm sure his many many friends. Thank you, Parker's family, for sharing him with all of us who didn't know him. So very sorry for your loss. Deanna Harpham*

“ Jamie, JT and Cooper, we are so so sorry for your loss. Our thoughts and prayers are with you all. Parker was a bright light and a wonderful Rockin Rollers camper! We are so blessed we got to know him and are honored we were able to get to know his sweet, loving and fun personality. Sending all our love to you. Love, Mrs. Michelle and Mrs. Jackie from Rockin Rollers

“ This little man was able to put a smile on anyones face. He could light up a room like no other. He was so sweet and loving and outgoing and just the best little buddy to have around. He was able to change anyone’s life he came across. I remember back in august he took me on a razor ride and he was an absolute stud and loved doing it, we just talked and talked about everything. We love you so much sweet boy ❤️ -katelyn and garrett eich

“Parker was a best friend to my son Calin. This picture was at Rollerland for CLPE skate night. Calin was having a hard time trying out roller blades that day and Parker came up and threw his arm around him and told him “I’m not good either, but we can do it together.” I had to get a picture because that’s exactly what true friendship looks like! Later that evening my niece was sad because she didn’t have enough tickets for a prize, so Parker being the kindhearted kid he was, gave her all of his tickets so she could get a prize. I have never met any child who is more giving and caring for others than sweet Parker. We are so blessed to have known him and we are keeping you all in our thoughts and prayers. We love you Parker!

“Parker was so full of life and laughter. He would walk into a room with his giant smile and make everyone immediately happier just by being present. My family has been so very blessed to have Parker and his family in our lives. Parker, you challenged my boys always, taught them to be brave, taught them how much fun it can be to just be a goof. You are so very missed and will never be forgotten. Sending so much love to the entire family. - The Nixon’s
