

Patricia L. Dilka

May 3, 1948 - April 5, 2016

Patricia L. Dilka, 67, of Fort Collins, Colorado died Tuesday, April 5, 2016.

Pat was born on May 3, 1948 to Robert and Wynona (Fritz) Scott in Hardford, California. Though little is known about Pat's life, she made a significant difference in many lives. She along with her brothers, David and Thomas were adopted out, away from their parents; separately and at a very young age. She did graduate from high school, but very little is known after that.

However, what we do know is that she is an amazing testament to the human spirit and proof that no matter what hand you might be dealt in life; love, compassion, determination and keeping a kind spirit will prevail. Her loving kindness and giving nature touched everyone who crossed her path. Her loss touched all of the wonderful staff at Spring Creek Healthcare Center in Fort Collins; especially Pathway's RN, Amanda and Spring Creek's, Laurie. Many blessings Pat. "We love and miss you and most of all Thank You!!

She is survived by her aunt, Bertha Fritz in Bayfield, Colorado and she will be buried next to her mother in Durango, Colorado.

“ *What a wonderful woman! 'Patty Cakes' as she was so affectionately called by her friends, brought smiles to the faces of those she was around. Patty had such a caring and kind personality. She was able to express her true love in the most genuine and innocent way.
Working with her for the last 3 years has been a true blessing. I cherish this for the rest of my life.
Heaven has gained another beautiful and loving soul.*

“ *Patty Dilka, or 'Patty Cake' as she loved to be called, was a blessing and a joy to know. She had a smile and a kind word for everyone she ever met. She was a very special kind of friend who saw the world in a very positive and innocent way. She was quick to forgive and always saw the best in everyone. She will be greatly missed.
