“ When I lived in Red Feather and went to high school there in Fort Collins I would come down and stay at Cindy's home for the weekend this was always so much fun. Pat always made me feel welcomed and loved in their home. The spirit was always strong there. I will always have such fond memories of those days. I remember her telling me that heaven is wear you feel peace and happiness.and she talked of her castle there in heaven. I know she is there with those that went before her and waiting for the rest of you all to join her someday. She will be missed. May God comfort you with his loving arms and that you will feel his peace. Our prayers go out to you all

“ Dear Pat,
I wanted you to know how much I appreciate what a sweet mother in law you were. I will always remember bringing Izzy to your house as an infant in June, bundled up like it was wintertime. Instead of pointing out that we were acting like ridiculous first time parents you told me a story of Robert as a baby and how the doctor scolded you for overdressing him. You were always so kind and subtle when passing on your wisdom, I never felt like I was being ridiculed. I will always be inspired by your tactics. You are so missed. I thank you for raising Rick, he is a wonderful and kind husband and father because of you. I am so grateful that Izzy and Adeline have such treasured memories of their sweet Grandma, you mean so much to all of us.
With love,
Nicky
