They had four children; Lisa Marie Green-Dawson, Tanis Emerald Green-Kennedy, Bonita Louise Green, and Bernard Thurston Green II. She also had eight Grandchildren, and three Great Grandsons, that she adored.

Grandchildren and friends at Residence at Oakridge laugh! She loved all genres of music, enjoyed plants and gardening, and watching sports with her Family. She also loved spending time with her oldest and dearest friend, Carol Clifford Russell of Oil City, PA. Patricia had a love of animals and had many fur babies over the years. She was an avid supporter of ASPCA / America Society for the Prevention of the Cruelty to Animals.

Ms. Green had a favorite picture hanging on her wall that read "A Woman's work is never done." Patricia, now your work is finally done, and you can rest in peace in Heaven with all your loved ones who passed before you.

Patricia's Family and Friends will have private memorials to honor her life and legacy. In lieu of flowers, please donate to ASPCA, or your local animal shelter, in her memory.
