“ You made me feel welcome at your home and you treated me like one of your own. You showed interest in getting to really know me, that meant a lot. I didn't spend a great deal of time with you but the time spent was very fun and rememberable. Along with hospitality and love you also had a very keen sense of humor, and a great laugh. You passed along many great traits including your warm smile and laugh to your daughter and grand daughters. Jeff is truly blessed to have had you as a mother in law! and Mr. Lundberg as a father in law. God bless her, all the friends, and family.
Sincerely Steve M

“ Pat was such a kind caring friend. She spoke often and lovingly of her family, especially her grand-daughters. I loved her sense of humor and how she thought the best, of everyone.

I am deeply saddened to hear my dear and loyal friend Pat of many years is no longer with us; she leaves with us her remarkable kindness, an unmatched resilience, and the joy and laughter she brought to anyone who knew her. She was always eager to meet new friends, share her expertise in cards and mahjong, a good listener, a lifelong learner, and always looked on the bright side of life! We shared the kind of “sister” relationship where we could pick right up where we left off in our last conversation; even if months apart! I will always treasure our trips to near and faraway places together. Your mom’s legacy lives on with her children and grandchildren, and your memories will help you through the difficult days. She is the angel over your shoulder and will always be there for you.

“ Patty and I have shared so much over the past 10 years. Of course mah jongg, but also lunches and dinners and thrift store shopping and movies. I will miss her laugh and companionship. She was someone I could always use as a sounding board and I will miss her strength so much. I’m so proud to call her friend and I hope she is resting and finally getting some good sleep.

My heart is truly saddened to hear of Pat's passing. She was an outstanding friend and always so encouraging and positive. She was a faithful mahjong player and I enjoyed her immensely these past few years! My sympathy to all her family whom she loved deeply. Unfortunately I have surgery on the 25th so cannot attend her service. My prayers are with you all. My love and sympathy go to Pat's family. She was an outstanding human being. We laughed and joked and supported each other through mahjong and through "life" I am better because she touched my life. Rest In Peace and love dear one. ❤️
