“ I worked with Pat in the San Rafael schools. She was my principal one summer and was a delightful person with whom to work. She genuinely loved the students and made sure school was a happy, meaningful experience for them. I was saddened to read of her passing. I know you must be feeling a great loss. Yours, Barbara Belluomini

“ I will always remember Pat as my mentor and friend. I was her instructional assistant in San Rafael. She was such a classy lady. She loved education and her boys, Joe and Mark. May cherished memories comfort your hearts and ease your sadness. Love, Hilda

“ Joe, Lynn and family,

We're saddened by your loss but glad your mom lived close and was such an important part of your lives. I'm sure she loved watching the kids turn into such great young adults.

The world needs more people to follow her lead and become progressive Catholic Democrats!

*Our best to you,
