

## Phoenix Oliver-Krause

July 26, 2010 - May 29, 2022

Phoenix Oliver Krause left this world on May 29th, 2022 at the age of 11.

His parents are mother, Shirley E. Oliver, step-dad Ian J. Armstrong; and father Mark E. Krause; brother, Holden Krause; grandparents David D. Oliver, Paula M Oliver, Joy Krause, Tim Armstrong, and Leah Armstrong; numerous aunts, uncles and cousins. He was preceded in death by his grandmother, Jacqueline Marie Oliver and grandfather, Eric Krause.

Phoenix was always an inquisitive child even at a young age. He always had a love for bugs, critters, and an affinity to reptiles. We called him the "Snake Whisperer".

His passing was unexpected and we are devastated by his loss. He was a beautiful, fun loving, curious, joyful and adventurous soul.

He will forever be missed and Loved!

“ I loved, and will forever continue to love Phoenix. I thank God that he came to Riffenburgh, where he was very much loved and not looked down upon. I remember the day this year that he wore his banana costume to school, and Mrs. Gonzalez described to me how school went that day. She was doing her absolute best to maintain a calm and caring position teaching his class, while on the inside she was full of joy and laughter because Phoenix was there in the front row wearing his banana costume. BTW, this was not at all Halloween. I later wrote Phoenix a letter letting him know how much I admired him for his uniqueness, and how I loved that he didn't care what others might think of him but went ahead and went to the beat of his own drummer. I was that very same child when I was 11 years old, I always went to the beat of my own drummer. I am so sorry I didn't make it to the service today, I was foiled by road construction. I am so glad that we had Phoenix here at Riffenburgh, and he absolutely touched my heart! I will continue to love him, even beyond death. Mister Jay loves you Phoenix! Thank you for bringing light to my life, and really all, the lives here who witnessed your light! I love you more than these words can explain. I look forward to seeing you again, when we all will be home! Beloved family & friends of Phoenix, you will always be in my prayers! I pray that peace will find your hearts. Not the peace of the world, but His Peace!

“ Phoenix was a classmate and friend of mine throughout elementary school, he was in my class every year. I will always remember how he made the days go by so much faster and always put a smile on my face. He always talked about Star Wars, snakes and fortnight. We even named our class team name snakeas army inspired by him. I am going to miss him very much. Fly high 🕊️

“ I'm heartbroken. I'll cherish my memories with Phoenix at the pool. He was a child I connected with right away. His sweet smile, a curious soul and bright light. I'm so sorry. Mary Coupe
