“ *Phyllis was my favorite sister. I am sorry to hear that she has passed on but my memories of her will live forever. We were from a big family and my memories of her from the past were always good ones. I did not get to spend much time with her over the years but I spoke with her on the phone and we enjoyed visiting. Phyllis, I will miss you but look forward to seeing you on the other side.*

“ *I am so sorry for your loss. Your Mom was amazing. Caring for her at New Mercer Commons was a privilege. She greeted me everyday with a smile and "How are you doing?" Others were always her first priority, being a nurse never stopped for her. I miss her so much. It's difficult to even walk by her empty room. My thoughts and prayers are with your entire family.*

“ *Our families get separated by distance and busy lives. We so much enjoyed the holiday dinners we shared at her and Uncle Clint's home, when all of our families were closer to the vicinity. She was a special lady, and I'm sorry we didn't get to see her more. Our thoughts and prayers are with her family and loved ones. We hope to be able to keep in contact with all of you! Much love, Sandy*

“ *What an honor it has been to know Johnnie as a friend and share time the last few years in the Park Lane Tower Bible Study. She always had a smile and a kind word and a concern for how everyone was doing. She even asked if it was okay to pray for herself when she started having physical difficulties! Now that is such a reflection of how other-oriented she was. Her focus was not on herself and to have reached the mid-80's with the attitude of thankfulness that she had is a real tribute.*

*She loved her family and wanted to be involved in their lives wherever she could be. Asking her about them was one way to get Johnnie to talk:)*

*I miss her presence in this place yet I am rejoicing to know that another of His faithful has joined Him for the grandest of celebrations.*

*As I have told her 'kids', their Mother didn't have any 'issues' that prevented her from connecting with anyone. She had, in fact, a genuine gentle soul that attracted others to her.*

*May she be treasured for all she gave in this life.*

*I am humbled and grateful to have known her...Verlane*

“ Sorry to hear of Phyllis's passing. I remember way back at family reunions and when our family visited Fort Collins going up to the mountains in your International. I am sure you all will miss her very much...it is very hard when parents leave us. I will pray for your family as you go through this difficult time.

*I am Marvin and Bernice Johnston's daughter Barb. Marvin has lived with me in Texas since June of 2007 after mom passed on back in 2006.*

*I believe the only two left now are Marvin and Darrell of your mom's siblings.*

*Take care and God Bless you all.
