“ *Phyllis and Larry were two of my favorite people. I always looked forward to their hugs and smiling faces.*

Phyllis always looked so classy and “put together” ! I admired her positive attitude, and her warm and welcoming demeanor. Her faith was unshakable and a light to so many. I will miss her!!

“ *We have been members of St John 23 parish for 45 years and it feels like Phyllis (and Larry) were a part of our community for as long as we can remember. Each Sunday after mass, I stopped to hold her hand as she sat in the back row. Even at her last mass, she exuded such love and charm and grace. I always joked that I wanted to be just like her if I ever grew up. She was an icon in our parish and will be remembered for years to come. Thanks for sharing your wonderful mom with us.*

(I'm so sorry I'm out of town the day of her funeral.)
