

## Ramon "Ray" Montano

August 25, 2018

Written by Ray:

When I leave this world, do not be unhappy, because I am going to be with my Savior. When you hear the bells that ring, it's because the angels are celebrating my homecoming, and I'm getting my new body. I'm leaving this old body of mine that has seen its days, good and bad, but God was with me all the time and has given to me life eternal. No more pain, no more tears, just love, joy, peace, and happiness in heaven, "Praise the Lord." I have so much to write, but so little time. I pray that my work for God will be complete when I leave, that I have ran a good race. I love you, but love God more. Do not be surprised when you hear the bells ring, "Okay?" I will say goodbye for now until we meet again in paradise. Amen

“ *I miss you Daddy!! So so much. Since you been gone this world has been so unkind to me and unbearable.. I nvr. Imagined being here without you more less than having such evilness in my life Daddy. I wished you were here with mom & i. Life has been so cruel too me since you been gone. I love you and i miss you so so much daddy. When you were here i was protected.. Now i feel so empty and alone.. Butt i know you need me to stay in Faith. As you've always told me mija just trust in Jesus. And he'll take care of all our needs. I thank God everyday for giving you too me. You were the best father a girl could ask for.. Until we meet again My Handsome Father I'll be patiently waiting too wrap my arms around you.. It will be the best day's of my life again. Me and mom love you so so much and miss you even more. 💙*
