

Randall Goetz

April 28, 2023

Randall “Randy” Goetz – age 31 of Greeley, CO passed away on April 28, 2023. He was born on June 21, 1991, in Texas to Kristina Miller (nee Foxall) and Charles Goetz and graduated from Westwood High School in Austin, TX. Regardless of his time in Texas between Austin and Dallas, and his time in Colorado between Fort Collins and Greeley, Randy brought his hard-working attitude, his love of history (notably the Vietnam War and WWII), hiking, exotic animals, horror movies and music joined him every step along the way. He was a bright light in a dark room, always loving to make friends and family laugh anytime they shared the same space. Randy’s sense of humor will always be known as equal parts dark and dry, but he landed it every time and that was balanced out by his compassionate nature, and stubbornness too. In his free time, Randy spent time in the community cleaning up local parks and leaving things better than he found them.

Randy was a proud chef. Cooking together provided countless memories in the kitchen as he was always making sure nothing was burned and everything was up to standard. Asian cuisine is always a staple in the Goetz household.

He is survived by his loving wife, Kodee Davis, his parents Kristina Miller and Charles Goetz, his siblings Patrick Goetz, Jacob Miller and Hannah Goetz, grandparents Charles and Linda Foxall, numerous nieces and nephews, and his four legged family members of Mufasa, Beanie and Maya. He will be

sorely missed by all that knew him, as he was always a dreamer.

In lieu of flowers, memorial contributions may be made through the Harmony Foundation at <https://harmonyfoundationinc.com/donate/harmony-collective/>

“ Randy was a great friend in middle and high school who never cared what people thought. He was a true rocker and such a free spirit. There's not a lot of dudes like that in the world and it's not fair to hear he's gone. Rest easy old pal. Memories don't leave like people do.

“ I called him Randall until he was about 10 years old. By that time, he was going by Randy to family and friends. One day he asked me to call him Randy. As his grandmother, one who loved him from the time before he was born, I agreed. Randy or Randall, he was unique. He cared for the less fortunate. He encouraged me to vote independent saying I was not REALLY throwing my vote away. As a little guy he would talk history with me. He was my pal at amusement parks when neither of us wanted to ride the scary stuff. I do and will forever miss his humor especially when he was with his brothers and family. I love you.
