“ *He was one of the finest men one could ever know, Could not have asked for a finer employer. Mr Lindeberg, was always very kind & considerate, despite my having this handicap of Deafness, Which was the result of Meningitis, at and early age. Not only was he my long term employer, but a true friend too all those who knew him!

“ Steve,  
Very sorry for the lost of your father. It hits home with losing Dad as well recently. Our thoughts and prays are with you and your family. Would have like to attend being so close but will be out of town. Fort Dodge has lost many of it's true community builders hopefully they will realize the contributions our fathers provided during those good years we all remember.

“ *Lindebeg family,  
I will ALWAYS remember both your mother and dad when they would come over to the Ft Dodge house for the adult parties. Every now & then your dad would end up in the pool with his clothes on. It was great fun to watch and I will always have great respect for them.*

“ *I grew up 3 houses north of the Lindebergs on north 9th St. in Ft. Dodge Ia. I remember Mr and Mrs Lindeberg as being very, very nice to me, an extremely confused and troubled boy. I remember playing in their basement with (Richy) now a Doctor, and Betsey as a toddler. So long ago. I also remember their great big black Buick. What a sweet faimily led by a wonderful man Richard Lindeberg.*
