“ *I am sadden by your passing my friend. Our careers lead us to a close friendship, we were on the road and worked 24/7 away from loved ones, living down the hall in hotels for many months and many different cities. I remember dearly our private conversations of our love for our family and how sad it is that our career (that we loved) took us away from them. I will miss our conversations and laughter my friend and I will remember our time on the road. I will miss your gentle demeanor. Rest my dear friend. Eternal Love, Jill Soucie*

“ I have the deepest respect and adoration for this man. I am stunned and heartbroken, the world has lost a true gem. Richard meant the world to me and to so many people. He was always cheerful, genuine, and ever sweet and caring. A super hard working, dedicated man who spoke often and lovingly of his beloved family, and who always was concerned about others. He will forever live on in our fondest memories, and has left an indelible mark on us all. I can only hope and pray he knew how cherished he was.
