Their son Michael arrived in 1966 followed by their daughter Risa in 1969.

Dick and Nancy raised their family in Fort Lupton, CO where he was actively involved in the Fort Lupton Lions Club for over 30 years. He retired from Public Service Company after 27 years of service and pursued his true passion of acquiring anything and everything that might possibly be useful "someday". He thoroughly enjoyed creating yard art out of discarded farm implements.

In 2005 Dick and Nancy moved to Laporte, CO to be closer to family. Dick was

known by everyone for his easy-going nature and kind demeanor. He never met a stranger and loved sharing his fully equipped shop and knowledge with his grandchildren and whoever happened to stop by. He was always willing to lend a hand and was generous to a fault.
