

Robert "Bob" Klick

December 17, 2019

Robert (Bob) Charles Klick (62) of Fort Collins, Colorado passed away December 17, 2019 while visiting family in California. He was born in Northridge, California to parents, Charles and Ila Mae with sisters, Christine and Claudia. Proud of his upbringing while developing his entrepreneurial spirit, he worked as a window-washer paying his tuition through college. After graduation from Cal State Northridge he became a CPA. He met the love of his life Desiree on a blind date and they married in November of 1987. They were blessed with two sons Bruce and Bronson. God guided their path to Everett, Washington where Bob became a partner in a CPA firm. Bob was a Rotarian in Lynnwood, Washington and served as club president sharing his passion for the Rotary community outreach projects.

In 2000, the family moved to Fort Collins, Colorado to join a CPA partnership and in 2005, Bob formed Klick and Associates. One of his greatest honors was to be named Rotarian of the year in the Fort Collins Breakfast Rotary Club. Over the years, Bob saw his sons grow into awesome men and he was so proud of their maturity and endeavors. He worked hard for his clients, enjoyed playing golf with many friends, writing poetry, watching college/NFL and running a football pool. He looked forward to Sunday family dinners and searching for bunnies with his beloved granddaughter, Addilynn Grace. Bob loved his country and was a patriot. He honored those who served. As a family, we enjoyed many vacations to Sun River, Oregon, trips to California to

see his family, Hawaii, Mexico, Washington DC. and many other fun trips with dear friends.

After moving to Colorado, friends invited our family to Faith Church, where Bob renewed his commitment to Christ as his personal Savior. In May of 2018, he publicly professed his faith in Jesus when he was baptized in the Jordan River on a tour of Israel.

He had a blessed life but he was not without struggles. He died in his sleep and cause of death has not yet been determined. Most importantly, Bob was a wonderful husband, father, son, brother, uncle, neighbor, trusted advisor and friend. We knew Bob as a good man with a big heart for people, a large personality, a love for telling stories, and a zest for life. He will be greatly missed in all our lives! May we never forget! We can rest assured that one day we will see Bob again! To God be the Glory! Romans 8:35, 37-39

“ I was a receptionist at VDW in the early 90's ...an accounting firm in a Lynwood WA and I was astonished to see this news about Bob. I remember him being a mentor to me , he was so kind to me. His wife, Desiree told me about MOPS...which is how I met my new family of friends when I moved to California in 1996. Anyway, Desiree if you see this...I I'll never forget answering the phone there at VDW, and hearing you saying “Bob Klick Please”. You were both so nice to me. He counseled me through a very difficult time in my life. And you told me about MOPS. I was just a receptionist there for a couple of years but you both made an impact on me. I'm so sorry to hear about your loss of Bob. Xo Lara

Our prayers are sent to the family to honor him. We were very shocked to hear of his passing. Way too young. GOD BLESS!

“ My heart and prayers go out to the family. I have not met you - but I know you all through all of Bobs stories!
I worked next door to Bob for over a year where we became good friends. We were always the first two at the offices and he would always stop in to tell a joke or a story. We had many great lunches where we both told stories and laughed and cried. I was in awe of Bob and all he had done in life- he was in awe of my ability to play guitar. It led to many great stories. We both loved golf and music - I was hoping to play with him this Spring. I stopped by the office to wish him happy holidays and learned of his death. I am shocked and sad as everyone is- but happy to think he's golfing on the best courses now and hearing the best music! Rock on Bob - love and prayers for your family!

“ *Desiree and family,
I was so sorry to hear about Bob's passing. I met you both on Topanga Ct (one little street of beautiful caring folks including the two of you) and then later he worked as my CPA. He was always joyful and full of life.
My heart goes out to you and Bruce and Bronson. May you find God's peace at this difficult and trying time.*

“ *My sincere condolences for Bob's family. Bob was like a son to me and I told him that many times. We shared many adventures during our 30 year friendship despite living in different states. He had a sensitive heart, crying with me many times at sad events in our life. He spoke to me often about his relationship with God so I know exactly where he is now! Bill Mahan*
