“ *Bob was one of the first people I met at tolmar. He pretty much took me under his wing. Anytime I had a question I would usually ask Bob. I sat by him at lunch and would show him my latest YouTube videos!! He would share his stories with me. Bob was always happy and one of the most sincere people that I ever met. I will miss him.*

“ *I knew Bob for 62 years and he was probably the most perfect person one would hope to know on this earth. I know his family and friends feel the same.*
