“ *I believe that I cleaned a few raceways with Bob at the hatchery when I was a WCO trainee candidate in 1971. I'll always remember Bob in the "gun room" inspecting and certifying our firearms at our annual training sessions. I believe that he worked day and night to get the job done in just a couple of days. Thanks for keeping us safe and ready all those years Bob! May you forever rest in peace and happiness!--Joe Gumber*

“ Bob and I worked on the Laramie River Ranger District together in 1964. In June of that year, he was very helpful to the crew that I supervised in replanting the Roach Burn. He always possessed that unique skill of "being handy" is the best way I can put it. Anything that needing fixing or could be done more efficiently, Bob was right there. When he went to work for the Division of Wildlife, I know he was appreciated at Bellvue Watson. A "Team Player" always. He was a good friend to Dad . . . now they are meeting up again at the "Happy Hunting Grounds". Rest in Peace My Friend.

Your mentor ship always appreciated. Your generosity to friends exemplary. I pray that you rest in peace. Mongo ...
