“ *On my trip to Georgia, I drove through Altamonte TN. That's where she broke down on her trip to visit me in Tampa and the beginning of our lives together. I still miss her, and still trying to figure out life without her. I love you Rosel.*

“ *9 months and 1 day. Oh my God I miss you. You were my other half and you were ripped from my heart. Not a day goes by I don't miss you. Hopefully we will embrace again soon. I love you my Roman Goddess.*

“ I first met Rosel way back in Jr. High school. She has been a part of my life for many years. She was a thinker, a reader, extremely intelligent and intuitive. She touched so many lives with her gentle, loving manner.

“ There is so much to say, but my heart goes out to Laura and Doug, and Dave and Jill and my daughter Sammy. This sweet girl will be forever missed. How I will long to call you everyday while I am alive. I will see you again, this I know. A piece of me went with you, who's gonna keep me grounded???? I love you so very much, I will miss you...

“ *I only got to share Ro's life for 30 years but she became the only sister I ever had. The lives we shared were a gift from God. What will I do without her?*
