“ Dear Jas and family,

We were saddened to learn of Royce's passing. I will always remember the wonderful Easter I spent with you all at your home in LA when I was just out of college back in '83 as well as Royce and Aunt Marion attending our wedding in '84. My mother, Betty Duffy Due, passed away unexpectedly in October so maybe the cousins have had a reunion. Royce is a special guy and will always hold a place in our hearts. You all are in our thoughts and prayers.

“ I have a heart full of wonderful memories of Royce. For many years he my neighbor, my friend and doctor to my beloved animals.

He was kind and gentle, and very very funny. I remember when he and Jessamine started their vegetable garden and how proud he was of his sweet peas. I remember watching him methodically chop garlic, and then cook up something wonderful, and then thoroughly enjoy his creation. And I remember how much he loved his dog Lucy.

I never saw Royce after he and Jessamine moved to Kalispell, but we spoke several times. I always enjoyed those conversations because they brought back so many wonderful memories.

I'll speak to Royce tonight, before I go to sleep, and thank him for his friendship and wish him well on his continuing journey. The world is truly a better place for him having been here.

“ Royce was a pleasure to work with at the library. He always came in with a cheerful attitude and a pleasant smile. He seemed to take great joy in working in the Children's Department and we all felt privileged to have him as a co-worker. His age gave him wisdom that he would pass on to the rest of us. I remember the words that he shared with me when I was saddened at having to put down our beloved dog. His words put my heart at ease. My sympathies go out to his family on the loss of this wonderful person.

“ I was so sorry to hear of Royce's passing. He was a particularly kind and gentle man. I remember his special touch with LC, the Library Cat and his fondness for all creatures and people. He was never too tired to lend a helping hand and always ready with a smile a cheerful greeting for all. It was an honor to know him.

“ Royce was one of kindest, happiest, most pleasant people I've ever met. He always had a smile on his face, something nice to say and a jaunty step. And, of course, he often wore a jaunty hat! All of us at the Library loved that man. He was truly a treasure. We have missed him since the day he left. I am saddened at his passing and wish him peace.

“Dad, you were a irreplaceable influence in my life. You showed me kindness, enthusiasm, and patience. Your sense of humor will be missed. You took me in as your step son when I was six years old. But, in truth, your the only dad I've known. You were my father from birth. Thanks for stepping in and raising me up better than anyone I could imagine. Keep on being who you are in the great beyond. And I'm sure you are being even more than anyone could imagine. Tell the angels that I heard from at your passing to keep on with their sense of humor. I know you are whoop it up with them in Heaven.

“Royce was a good friend and co-worker. His wonderful smile and sense of humor made us all love him. He was willing to share his expertise on many, many subjects and so willing to help us with anything we asked of him. He was our tea expert and shared his recipe for tabouli which we printed and shared with our staff and vegetarian patrons. I believe he was happiest when working in the Children's Dept. I have truly missed Royce in the Library and would like his family to know what a very special person he was.
