“ *To Mona and the entire Madrid family, my thoughts and prayers are with you.*

“ *Our sympathy goes out to all who knew Rudy. For many years, he was a bright spot for the staff at Diesel Services of Northern Colorado. He worked right next door to us when he was with Gallegos. He was funny, sincere, helpful and a pleasure to be around. He expressed his love for his family, respect for his employer and he demonstrated a work ethic to be proud of. We lost track of him when Gallegos moved his department to a new location but we've never forgotten him. Bless him and all who will miss him.*
