“ My condolences to Ruthie’s loved ones. Ruthie was creative, fun, strong, and loyal. She had a contagious smile that brightened up the room every single time I saw her. I loved talking with her about anything and everything, because she was curious and loved learning and exploring ideas. I am going to miss her very much. RIP sweet friend ♡♡

“ Sweet Ruthie was a truly remarkable woman whose kindness, strength, and generosity touched everyone she met. She lived her life with grace and positivity. Ruthie’s greatest legacy is the incredible daughter she raised—strong, compassionate, and accomplished in every way. Dede is a beautiful reflection of Ruthie’s love and example. The values Ruthie instilled will continue to shine on, and the world is a better place because of her.

Ruthie left a mark on everyone of us who were fortunate to know her. She will be remembered for her kindness, generosity, wittiness, humor, and optimisms! She had a great smile, particularly every time she greeted you!! Ruthie was blessed in so many ways but the greatest was the daughter she raised and who was there for her at every turn in life. May she rest in peace 🙏
