

Sandie Hagerty

February 6, 1943 - January 15, 2010

Sandie L. Hagerty, of Fort Collins, Colorado died January 15, 2010 at the Pathways Hospice Care Center in Loveland. Sandra Grammer was born February 6, 1943. She is survived by her husband of 46 years Chris Hagerty; their children Diana L. Renner and Robert E. Hagerty; grandson Bryan C. Wilson; her brother Dennis Grammer; her mother Gloria Quagliano; her step-sisters Joanna Bartmus and Debbie Perlman; and her step brothers Mike, Leonard, David and Dean Grammer. Sandie's father, Marion O Grammer preceded her in death. Sandie married Chris J. Hagerty in 1963 while he was in the Navy. They moved to Hanford, CA for short time before moving back to Southern CA. She was a homemaker and mother. When her daughter Diana reached school age Sandra started working as a teacher's aid in Burbank. She loved working with children and continued this for 18 years. A teacher she worked with touted Fort Collins as a great place to retire to, so in 1991 when Chris retired from the Pasadena Police Department they moved to Fort Collins. Sandie was energized by her study of genealogy. She was always searching for answers to her family history. Many trips were made to Missouri tracing down her extended family. She also loved scrapbooking; especially with items of, by and with her grandson Bryan. She enjoyed watching her grandson participate in sheep riding and later in Taekwondo. She will be missed by all.

“ *How sad we are to hear the news of Sandi's passing. She was such a joy in life and always enjoying a great time. We remember the many trips we made to Vegas for the bowling tournaments and the fun we all had. She will be forever missed by all. She had many friends and we have all lost a part of us with Sandi's passing. May she go in God's grace where she will no longer feel any pain only happiness. She will be in our hearts forever. We miss you!*

“ During my teenage years Sandie was like a mother to me. I knew I was always welcome in their home and I probably spent more time there than my own home, next door. She was a wonderful, caring lady whom I will never forget! The list goes on and on of memories with this family, but I will never forget my Monday night babysitting job while they would go bowling in Pasadena and I would do whatever needed to be done for the kids, Diana and Bobby. We always had so much fun.

I send the family my love and prayers at this difficult time. I wish I could be there for the services to show them my support. I can only imagine the friends she must have acquired over the years that will dearly miss her. She will always hold a special place in my heart.

“ Even though I have meet Sandie just a couple of times her family, mainly Chris and Robert whom I have worked with for sometime now never stopped talking about her. Praising her on how she was doing and stories of her life as we grew to know her better each time they talked about her. Her family always putting her first in their lives and it showed how much they loved her. Our deepest condolences go out to you all as the loss runs deep right now. We will be praying for the family during this time.

“ Sandie was a great friend and grandmother. I met her watching her grandson ride sheep. She was the most enthusiastic fan and inspired all of us to cheer more. She was very caring and kind to me and everyone else she met. I will miss her, but I am moslty happy that she is not suffering any longer. Her family is in my prayers!
