

Santos Jaime Gutierrez

July 23, 2018

Grief, after the initial shock of loss, comes on in waves. When you're driving alone in your car, while you're doing the dishes, while you're getting ready for work...and all of the sudden it hits you - how so very much you miss someone; and your breath catches, and your tears flow, and the sadness is so great that it is physically painful.

Miss you Jaime.
