“ *I am so sad to hear about Scott's passing. Scotty gave me my 1st restaurant job at Rasta Pasta in the late 1990's in Breckinridge and took me under his wing...I was 19 years old , fresh from California. I loved eating at Rasta Pasta and one day Scotty asked me if I wanted a job, I started the next day :) Some of the best times of my life were during that time living Breck, working for Scotty. He eventually taught me how to cook, which I am forever grateful for, He also gave me the keys to the restaurant after about a year and would let me go in in the morning and cook breakfast before going out to snowboard for the day, and we always had a blast while working, he was a Legend! Always happy, stoked on life, and non stop always on the go with another idea or project to take on. I will miss you my friend. Sending only love and prayers to your family .*

“ *I was so sad to hear about Scott. He graciously gave me my first restaurant job (with no prior experience!) at Rasta Pasta In Breckenridge 27 years ago and started my life-long love with this community, where I still reside. Rasta Pasta was my Breck family for 3 years - I have such fond memories of that time, and Scotty was a big part of it. Always a smile on his face and a rasta-vibe in his step. My sympathies for you and your family.*

“ My heartfelt condolences are extended to Scott’s entire family, friends and neighbors. I am sure there are many whose life Scott’s smile and positive energy has touched and been impacted by.

Scott is a one of the IndianaPA schoolmates I can say I knew for a short time. I remember where his dad’s store was located, the nonstop smile he always had and the many friends he had growing up. Losing someone at this young age makes us all take pause and cherish each day.

Fly with the angels in paradise Scott! 📍🌟🕊️

“ Oh, Shelley and Jen, I was shocked to see this in the Indiana Gazette. I’m so sorry for your loss never seems enough to say. I would love to catch up with you both and Margie. I tried unsuccessfully to find you on Facebook. This is my profile pic, in case you see this. I hope you are well and happy. Again, I’m sorry for your loss.

“ Shelley and Jennifer, You have my deepest sympathies. Many fond memories are swirling in my mind as I think of us growing up and having fun together as kids. I also loved all the pictures you posted. It is obvious that Scott was a doting uncle! And the picture of Grandma and Scott brought tears to my eyes.

Scott was our next door neighbor here in Indiana, Pennsylvania before he left for Colorado for a couple. He was a very nice young man who always had a smile on his fact. He was taken too soon. Rest in peace Scott from Carson and Peggy Greene....

RIP Scotty! I forgot we shared a birthday together. Lots of good memories with you my friend. Nothing like leaving Indiana at 3 to get 2 hours on the slopes at Seven Springs. Gone but never forgotten my friend.
