

## Scott Olson

February 7, 1969 - July 30, 2016

The family of Scott Olson invites you to a celebration of Scott's life on September 23, 2016 at Lory State Park, the Timber picnic site (park pass will be paid by Scott's family). This spot is reserved from dawn to dusk for our use but we will formally gather at 1:30 pm for songs, psalms, prayers and conversation.

Please join us following the service for a picnic lunch provided by The Cafe Athens. There are many activities to enjoy here, including hiking, biking, volleyball, horseshoes, and story-telling (with s'mores) around the fire pit. Wear your picnic-going, outdoor clothes and bring a camp chair if desired (picnic tables are provided).

Please RSVP by responding to the invite on facebook (see Diane's timeline), calling or texting Diane and Dick Olson at 970-690-2555, or via email to [ridiolson@msn.com](mailto:ridiolson@msn.com).

Scott D. Olson, age 47, passed away July 30, 2016 at his home in Fort Collins, CO after a long illness. Scott was born in Redwood Falls, MN on February 7, 1969. He graduated from Papillion/LaVista High School in Nebraska and then from American Institute of Baking (AIB) in Manhattan, KS. Scott started working in the food industry while still in high school and eventually worked for such food giants as Pillsbury (he was literally the Pillsbury Doughboy at several food shows early in his career!), JW Allen, Rustco Products and most recently for Whole Foods Bakehouse in Aurora, CO. Scott loved to camp and fish and spend time with friends and family. Scott is survived by his parents, Dick and Diane Olson of Fort Collins; brother, Dean Olson of Denver; sister, Dana (and Bill) Rogers; nieces and nephews, Sasha, Emily, Haleigh, Zach and Kaden all of Fort Collins; his grandmother, Margaret Retrum of Richland Center, WI; and many relatives in Minnesota, Wisconsin and Texas. Scott will be sorely missed but lovingly remembered for his love of animals, his kindness, optimism and generosity.

A memorial picnic is being planned and will be held this fall in the mountains Scott so loved. Date, time and place will be determined later.

Memorial contributions will be donated to the Humane Society of Larimer County in Scott's memory.

“ I'm still so stunned and really cant find words... Scott you have been a part of my life since we were kids...a consistent part... you have been sending me roses on my birthday every year since I was 15 - whether actual flowers or a card with a dozen roses on the front ...I always got roses!!! I'm going to miss that. I will never forget the time we went fishing in the keys and you just jumped in the car from Melbourne and actually found us at a gas station on US1 buying ice...this was before FB and we probably didnt cell phones yet... You had no idea where or what Key we were on and surprised the heck out of all of us...when we asked what you would have done had you not have found us (which was a needle in a haystack) you just said "enjoy the ride"... that was a good weekend... Boomer and I are heartbroken...the whole family is...I'll never be able to pass by another episode of the Simpsons again without hearing your giggle...love you Olie ... Dick, Diane, Dean and Dana I am so sorry...

“ I have many memories of you, Scott. I remember how you always had nice things to say. I remember how you would use "sweet" to describe people and animals...usually followed by your cute little giggle. You were a kind, forgiving, positive person with a gentle soul. More than anything else, and through it all, you were always my friend. I am lucky to have known you and lucky to have had the opportunity to share some of my life with you. Thank you for all you taught me.

To the Olson family, I am so very sorry for your loss. Scott told me many times how much he loved you all. There was nothing more important to him than each of you. My thoughts and prayers go out to you. Thank you...for everything, then and now.

*I am so sad to hear about Scott's passing. I lost contact with him a few years ago when I changed my Facebook account. But I am honored to have gone to high school with such a sweet, generous person. I am sure he will be greatly missed by all those whose lives he touched.*

*Scott, we knew you when you were a child and visited your Retrum grandparents in Wisconsin. We knew you as a young man visiting us in Kingwood, Texas. We knew you as a fun-loving, happy go lucky guy. Such a tragedy to lose you so soon in your life. May God hold you close and protect you until we see you again. All our love, Uncle Stan and family.*
