“ *The Bhatti children came to Johnson Elementary when Sharnjeit was in first grade. I was their English as a Second Language teacher, and I got to work with him for five years. I also was privileged to be friends with the family. Sharnjeit was very sweet and worked hard to succeed in school; I knew he would grow up to be a wonderful man. I am so very sorry to hear of his passing. May God be with you all.*

“ *Sharnjeit (shawnji) was the coolest guy to live near. I lived three trailers down from him in 2013 and knew him between 2012-2018. He always was there to help no matter what. He never bull sh\*ted his friends, always had a shoulder to lean on and a place to get away if you needed someone to listen all night.*
