“ *Sherry was wonderful to be around. I did not work directly with Sherry while we were both working at the Larimer County Courthouse, but we did have a lot of interaction. I totally enjoyed being around her and am very sorry to hear of her untimely death. Sherry was respected by those who cared about her. I wish your family God's peace and comfort during this difficult time.*

“ I served as Clerk of the County Court from 1970 to 1997 and was a co-worker of Sherry's during those years. She had many friends among the court staff and we will remember her quick smile and warm friendship. She will truly be missed by all of us. Ann & I extend our heartfelt condolences to Sherry's family

“ Sherry was such a sweet person. I always enjoyed visiting with her. We both worked for Larimer County. I worked in the County Clerks office when Sherry's office was still in the Court House. Sherry was also one of my Mary Kay Cosmetics customers. We had a good time trying new colors.
I am so sorry to hear of her passing and send my condolences. She will be missed.

“ I send my condolences to the members of Sherry's family. I have known Sherry for a long time and am saddened, as you are, that she left us at such a young age. You all did such a great job caring for her and made ever effort to make her final days more comfortable.

“ *I worked with Sherry at the County Court office several years ago and considered her a friend. I have lost touch with so many of those friends but have never forgotten how special Sherry was. Tiffany was the light of her life even and I enjoyed Sherry's tales of woe with the Tiffany's ferret. I regret that I did not keep in touch, she was a very special person.*
