“ *I have had the pleasure of working with Stan over the last 6 years. He was a very generous and honest man. One who would do anything for the people he loved and cared about. He was very passionate. He always had a kind word for you. He will be missed. May god bless and keep him in the palm of his hand and give strength to those how have loved him in this time of sorrow. My thoughts and prayers are with his family.*

“ Dear Karen,

My heart goes out to you. I think of you so often and how devoted Stan was to you. I was remembering how we went riding and galloped across the fields and went back to your house and he was cooking for you.

Just yesterday, I watched my grand-children ski and knee-board and think of the fun we had at your lake. We share a summer home at Black Lake NY with Tim and his family. We do not get there often because I too have cancer.

And here I try and hope that certain words may ease the pain and heartbreak you are experiencing. Hoping I can do as you have done for me so often and ease the pain. May peace and happiness be yours.

Love,

Ruth and Phil

“ Dear Gryziek Family,
I am so sorry to hear of Stan's passing. I fondly remember him from our ski trips.....always the calm one.....always the organizer....always the one with the sense of reason. I do remember his sense of humor. He made us all laugh with his dry comments. I am so so sorry. I love you all!
