“ *Although miles separated us, Ted & Marlene have always been in our thoughts. From the time that we were always together at Asbury church in Traverse City, MI right up to today as we enjoy their family updates. Although we were shocked to hear of Ted's passing, we know that he is in his heavenly home, pain free. Marlene, we will continue to pray for you and the kids and hope that soon our paths will cross again.*

“ Ted is in the presense of the Lord where there is no pain and joy is surrounding them constantly. Ted was always asking me about my nursing classes and the last day I saw him he had mentioned that Marlene told him that I finally graduated nursing school. He asked me when I would take the boards and I told him that I had already done that and passed. He was very excited for me and said he could hardly wait to tell Marlene my good news. Ted was a light on our day and it was my pleasure to take care of him when he would come in. Your family is in my prayers.

“ Ted was a great person. I knew him as a young high school student working in the Dietary Dept. and working summers as 'lawnskeeper" as the young students did then. He and his family were very special and caring. God bless you all.

“ A man of great character, Spirit, toughness and love who was a dear friend and fellow missions servant. Ted loved his wife, and kids with a tough love that was caring and God-focused. May you rest in peace, Ted - you are now free from the suffering and pain which you endured bravely and for so long. I'll see you in Heaven, brother.

“ Dear Marlene and family,

I am so sorry to hear of the loss of your husband/father. My thoughts and prayers are with you during this most difficult time. I didn't know him but in viewing the photos, it looks like he was an amazing man and that he loved life to the fullest. Although I know you will miss him terribly, I also know you take comfort in the fact that he is now with our Lord and Savior and that you will see him again one day soon.

*Much love,
Hazel*
