

Teresa Lynn Strope Reilly

September 5, 1961 - December 24, 2017

Terri was born in Ypsilanti, MI on September 5th of 1961 and went home to be with the Lord on December 24th of 2017. She is survived by her husband Hugh M. Reilly, son Caleb Reilly, daughter Amanda Salazar (Robert), grandchildren Carly, Arionna, Kiara, parents Larry and Stella Strope, Grandmother Margret Strope, siblings Sharon Slemons (Tim), Brett Strope (Jeannine), Alan Strope (Kim), Dale and Penny Green, Phil Reilly, and Gwenyth (Reilly) Sisson (Gordon). Aunt Terri is also survived by her many adoring nieces and nephews. She was preceded in death by her sister Lori Ann Strope Green and her sister-in-law Gerri Lynn Reilly. Terri was always involved in her children's lives, active in church, loved designing, hiking, crafting, cooking, the game of scrabble and never missed a chance to play with or read to her grandchildren. She worked as a CNA, sales person, secretary, bookkeeper, interior designer, and realtor/broker. Terri was never afraid of death knowing that Jesus would welcome her into Heaven. She just didn't want to be separated from her beloved family. Terri possessed an inner light that warmed all who met her and a love of life that was contagious. "I'll love you forever, I'll like you for always, as long as I'm living my baby you'll be." My grief is overwhelming, but don't worry; I'll take care of the kids and grandkids. ~ Hugh

“ *Terri and I became friends in a short period of time...we sure knew how to have fun! She was always so vivacious and full of energy....and we sure did dance when we were together.....I am glad that I was able to help out once a week by taking Terri to dialysis...we had some really good, deep talks in the car those times. I will miss her deeply....my thoughts and prayers are with the family!*

Terri and I became friends after making her purple velvet slipcovers. She and I then spent time working on many interior design projects together over the years before she left great falls. We had a lot of fun times and some sad times. She was always a joy to be around so positive such a light and beautiful spirit. Miss you girl. You hold a special place in my heart.

“ *My first memory of Terri, is I ran into her in Old Town not long after the loss of my Son. She was so graceful with her hugs and her simple words. I felt her compassion so strongly and it has always stayed with me. She will never be separated from those who love her. That kind of energy and spirit just stays with us. SO much Love and peace to all of the family and friends who love her so.*

“ *My dear, sweet Terri....an angel on earth has her wings. I don't think I've ever met a woman so full of life and so positive about everything. I will cherish my time I had with her and look forward to seeing her again some day. My heart hurts and I will miss her terribly - can't fathom doing life with my Terri girl. But I am comforted, as I'm sure we all are, by the fact that she is no longer suffering, and dancing away with her sister, Lori, to "Sweet Home Alabama"... Hugh, Caleb, Amanda, and family - prayers for you all - the Gile fam is always here if you need anything. Much love, Fred, Cyndi and Madison Gile*
