

Teresa "Teri" Ann Coyne

November 3, 1953 - November 27, 2013

Teresa (Teri) Ann Gillen Coyne of Fort Collins, Colorado, died peacefully Wednesday evening, November 27th surrounded by family and friends at Poudre Valley Hospital in Fort Collins, Colorado. She was 60 years old and a 6-year, stage-4, cancer survivor until only recently losing her second brave battle with the disease.

Teri was born Teresa Ann Gillen on November 3, 1953, in McCook, Nebraska, to Francis H. and M. Joan (Stewart) Gillen of McCook. Her father preceded her in death as did her paternal grandparents Frank and Marie Gillen of McCook and maternal grandparents, Roy and Hazel Stewart of Culbertson, Nebraska.

Teri is survived by James W. Coyne, her husband of 23 years, mother M. Joan Gillen of McCook and mother-in-law Helen Fagen Bush of Fort Collins, sister Janice (Jan) Gilbert and husband Michael (Mike) of McCook, brother Mark Gillen and wife Ann of Kearney, goddaughter Natalie (Gilbert) Marks and great-niece Erin Marks of McCook, nephews Zachary and Nathan Gillen of Kearney, sisters-in-law Karen and Lorraine of northern Colorado and many other aunts, uncles, cousins, nieces, nephews and special friends.

Teri was most recently employed with Safeway of Fort Collins in the delicatessen and worked most of her life in food services where she perfected

and shared her culinary skills. She was an excellent cook and baker, learning her trade, as was her passion, from her paternal grandmother Marie Gillen and former restaurant business owners, her mother M. Joan Gillen and aunt Lorna Wagner Trupp. Teri loved to bake and share her special sticky buns and kraut burgers with her Safeway work family, and other family and friends.

Teri grew up as a young girl in her beloved Nebraska spending her summers on the Stewart family farm and with her immediate family at Lake McConaughy in Ogallala, Nebraska, fishing, boating, and swimming. Teri loved to water ski. She loved the outdoors, primarily in the spring, summer and autumn months when she could plant her garden, nurture and grow her fruits and vegetables, which she would harvest and then preserve as the ingredients for her delicious recipes. Teri was an advocate for rights, human and animal. She loved spending time with her animals outdoors, feeding and tending to their needs. At the time of her death she was planning to learn how to make candles.

A life remembrance memorial following cremation will be held at Goes Funeral Care, 3665 Canal Drive, #E, Fort Collins, Colorado, on Wednesday, December 4th, starting at noon. Please visit www.goesfuneralcare.com and share special thoughts or prayers. The family requests that in remembrance of Teri during this special season of faith, hope and love that you remember to give generously to your favorite charity.

“ Teri was a person whose single distinguishing characteristic was a love of life. She fought valiantly against the pain and indignity of the disease which finally claimed her life. I admire her for that invincible strength of will more than I can say. The last time i saw Teri, she was joyful because a procedure in her ongoing battle against the cancer had gone very well and Teri had great hope that she had finally beaten her foe. I am so grateful for that happy final memory as it comforts me in this time of sorrow. Teri treated animals with an unfailing loving tenderness. How someone treats those who are dependent upon them, such as children and animals, speaks to their intrinsic character, and Teri passed that particular test with flying colors, I know that James, Teri's mother, her family and friends will all miss her greatly. Yet, we can console ourselves with the knowledge that her spirit and purity of heart lingers within each one of us.

“ back in 1980 Teri and I worked at the new Toddys store in Ft.Collins. Shared news from our families back in McCook. Later we Moved to McCook where her father became a customer at my place. I remember Teri as a very hard worker, and liked by everyone. Francis was a very kind, nice guy to deal with. Both just top notch good people that bring back fond memories.

*"What though the radiance which was once so bright
Be now for ever taken from my sight,
Though nothing can bring back the hour
Of splendour in the grass, of glory in the flower;
We will grieve not, rather find
Strength in what remains behind..."*

“ I am Teri's brother in Law. I have known Teri for over 46 years Teri I will miss the twinkle in your eyes, you laugh, giggle and the long conversations we have had over the years. My condolences go out to James and the whole Coyne family as well as the whole Gillen family, for their recent loss of such a beautiful family member. Teri was the kind of person that knew no enemies, and everyone loved. The world needs more people like Teri Gillen Coyne it would be a much better place. Teri would find an abandoned animal and take it in protect and give it food and love. I remember many great holiday meals Teri made, she would slave in the kitchen cooking everything to perfection, they were very happy days.

Peace beautiful lady

*I will never forget you,we will meet again sometime in the future,
probably catch a fish or two with you father Francis*

I love you
