

Terril Rector Glasgow

May 16, 1948 - April 21, 2017

Dr. Terril Rector Glasgow, 68, originally of West Jefferson, Ohio, passed away April 21,

2017 in Fort Collins, Colorado.

A longtime resident of Windsor, Colorado, Terril, the oldest of 5 siblings and mother to

4, graduated from West Jefferson High School in 1966. From there she moved to

Tucson, Arizona, where she met her husband of almost 50 years, Jeffry Glasgow. She

spent 14 years as a naval wife, overseeing the daunting task of moving her family more

than 19 times from coast to coast and Guam - often alone while Jeff was deployed for

6-9 months of the year. A resilient woman of great strength, artistry, and intelligence,

she was a steadying force to her growing family.

She eventually settled in Windsor, Colorado in 1982. After working for the Windsor

School District as a bus driver for many years, Terril pursued her dream to return to

school. In quick succession, she obtained her Bachelor's Degree in Criminal Justice,

and her Master's in Rehabilitation Counseling. During this time, she worked for the Greeley School District as a substitute teacher, as a Child Protection Specialist for Weld County Social Services, and as a Drug and Alcohol counselor for the Villa at Greeley's pre-parole facility.

In 2002, at the age of 53, she received her Ph.D. from the University of Northern Colorado in Human Rehabilitation, with an emphasis in co-occurring mental health and substance abuse disorders and counseling. She had served as an Adjunct Professor with the University of Northern Colorado, and was nominated for "Most Inspirational Professor" in 2007.

From there she worked as a Clinical Therapist and In-House Group Facilitator for Intervention Community Corrections Services. At the time of her death, Terril was with North Range Behavioral Health as an inpatient drug and alcohol counselor. In addition to her educational and career pursuits, Terril was a gifted artist in many mediums - crewel and needlework, ceramics, photography, woodworking, antique restoration, and oil and watercolor painting. Many of her creations reside in homes all over the country.

Terril is survived by her husband, Jeffry Glasgow of Windsor, CO; children Christina (Mark) Cooper of Eaton, CO; Bethany (Ken Warren) Glasgow of Windsor, CO;

Jeffry

(Alexis) Glasgow of Cheyenne, WY; and Frank (Amy Gordon) Glasgow of Greeley, CO.

Grandchildren include Jordan Curci, Zane and Hannah Cooper, Patrick Gordon, and

Henry Winick. Terril is also survived by her mother, Wilda Rector of Tempe, AZ, and

siblings Cinda (Rusty) Gavagan of Chandler, AZ, Ruth (David) Wright of Plainview, TX,

Samuel (Jill) Rector of Tempe, AZ, and Marla (Carl) Naisant of Tempe, AZ.

Terril is

preceded in death by her father, Frank Rector.

“ I didn't know this but after reading her obituary she's been in my life since I was little. Come to find out she was my bus driver in Windsor, then later on I worked with her both at The Villa and then ICCS. What a small world. She was definitely one of the nicest people I've met and a very smart lovely lady. Sending prayers to her family during this difficult time.

“ My sister was loving, kind and very, very smart. She was a talented artist who never met a media she couldn't conquer. Her art graces all of our homes. To me, she was the scientific big sister who was never too busy to explain her later sat science project with me. She was 11 years older but always treated me like we were best buds. My heart goes out to Jeff, Christy, Beth, Frank and Jeffry. It's not easy losing your mom. Love you lots.
