“ Words can't capture the beauty of who Terry Ann was. She was one of my dearest friends. Terry Ann was a kind, generous woman who inspired me with her spirituality and commitment to service. I enjoyed preparing and serving meals with her at the homeless shelter. If I had a prayer request, she was always available. I treasured our long talks and our spiritual explorations. She left a deep and loving imprint on my life--27 years of friendship! I celebrate her as her Soul reunites with loved ones, dancing with Light and Joy.

“ I met this beautiful lady, Terry Ann at aqua aerobics and her amazing daughter Krista, as my WW leader many years ago! It took me a couple years to realize that they were a Mother/Daughter team!! Having both of them in my life has been a treasure. Terry Ann always put a smile on my face with her positiveness, faith and kindness and I will miss her dearly. Krista - what a beautiful relationship you and your mom had. Seeing the two of you together warmed my heart. Sending love to you and your family.

Terry was the best friend anyone could dream of. From our first meeting across the street at Sumter Square our friendship was sealed. We shared such fun during our daily morning walks, Krista's wedding and other memorable events . We have sent the same birthday card back and forth for nearly forty years and sung Silent Night every Christmas Eve no matter which part of the world I was in. I am honored to have known and loved Terry, Jerry and their delightful family . Nothing will be the same again, especially Christmas Eve. Terry will always be a part of me . My love and condolences to Kimberly, Krista, Kevin, Kirk, Keith and all the kids. Love you all .

I have always been awed by Terry Ann. I sat across from her during a time of meditation & prayer & witnessed her peaceful, beautiful face as she communed with Christ. I had never seen anything like that. Those moments with her have continued to bring me peace. I doubt she ever knew how strong her influence was in my life. Thank you, Terry Ann! You were in my life briefly yet powerfully in your quiet way.
