

## Terry Tuck

June 14, 1949 - March 26, 2010

Terry Lynn Tuck, age 60, departed peacefully in the early hours of Friday March 26, 2010. Terry resided for the majority of her life in Colorado, but also spent time living in Columbus, Georgia and Puerto Vallarta, Mexico. Terry dedicated over a quarter century to a career of helping others in various Colorado educational systems, most recently devoting approximately 20 years to the Poudre School District in Fort Collins. Terry is survived by husband and best friend of 42 years, Thomas, daughter Stephanie, sons Christopher and Nathaniel, mother Charlotte, brother Dennis, sister Jan, grandchildren Marcus and Victoria, and countless loving friends. A Memorial service and reception will be held at the Unity Church of Fort Collins on Friday April 2nd, beginning at 4:00 pm. Please attend in helping to celebrate her life and spirit. In lieu of flowers, contributions may be made to [www.graceorphanageafrica.com](http://www.graceorphanageafrica.com), a charity project Terry supported and believed in. Words can't represent the magnitude in which Terry will be missed, as an absolutely incredible Mother, Wife, and Friend. In her memory, please don't miss an opportunity to express love to those dearest to you.

“ *Coach Tuck was a mentor and friend to so many. He embraced so many, and was loved by everyone he touched.*

“ *With deepest sympathy for all the Tuck Family.  
I was blessed to know Terry through PSD. Terry would walk into a room with her gentle stride that was full of confidence and grace. Her eyes and smile gave warmth to those around her. She had the ability to listen without judgment. Her humor was always delightful. She loved her rock-n-roll and can hear her singing a tune.  
May the peace of God be with you during this difficult time.*

“ Terry was the original "M&M girl." She always made sure the bowl was full. I will miss her humor and her work ethic. We "connected." I feel for her family and close friends. There is a hole now which will slowly fill in as we remember the good times, the funny stuff and the real caring that Terry had.

“ Terry was a funny, loving, and dear friend. We had the most hysterical times in the mountains. Seeing her playful self at our parties was soooo much fun. One time we were driving home from the mountains and I was having a really tough time and she had plenty going on too but she kept her focus on me and what I needed. She made me a CD with a special song called "A Whole in the Cloud." We came around a curve and saw a beautiful view of the sunshine on the mountains and there was a hole in the clouds right in front of us and, the clouds had parted as if there was a place to go She looked at me and said "see, it's always there." She found her hole in the clouds and that's where she is now.

“ Terry was a shining light of hope, humor and fun. She modeled for me grace under fire. She always had a kind word to say. I felt comfortable with her and often sought her advice on everything from work issue to parenting. When my daughter was getting married, Terry told me to savor every minute because it is one of the best days of your life; not to stress over the details. I will never forget conversations about concerts, rock groups and music. I miss her and am so grateful that our journeys were joined for a short time on this earth.

“ Dear Tuck Family, I am so saddened by the unexpected loss of my friend. Terry was a wonderful person with a huge heart and an amazing spirit. I have never met anyone so full of life. Even when she wasn't feeling well, she still had a smile for me and a positive outlook.

*I have recently lost several friends and family members so I know personally how very difficult this time is for you. Time does heal pain but memories will live forever in your heart. I will keep Terry and all of you in my heart, always.*

“ I was lucky enough to work with Terry for five or six years. Whatever chaos and angst was floating around the office, Terry always brightened the day. She was sensitive, caring, insightful, and lovingâ€¦all those things. And she was funny! Terryâ€™s humor was deliciously subtle, with an occasion hint of wickednessâ€¦which was so much fun.

*Like so many who knew Terry, I loved her.*

“ Terry's light burned brightly for everyone she came in contact with..lighting the days with love, humor,and spirituality. Terry connected to people, especially the at-risk teens she worked with in years past, at a level that left them profoundly changed by her compassion and care. She had so much love and positive energy to share with all she knew. Terry was the kind of mother and wife that most of us aspire to be. She was the sister I never had and the kind of special friend that only comes once in a lifetime. She will be forever remembered and missed.

“ Terry will be very missed and I think this world was a better place when she was here -. I keep thinking of her beautiful eyes and smile and her mischevious giggle. I have SO MANY great memories of being with the Tuck family and many of these were because of Terry. She was a great wife to Tom, an exceptional mother to Steph, Chris and Nate, and she was a really great Mom to talk to and be around while growing up. I loved Terry and I love the Tuck family so much. I am so sorry for your loss.

Love,

Amy

“ Terry was more than a friend, she was my mentor and "Colorado Mom". She is the friend you run to with your best news and your worst news. When it was good news, she would jump up and down with excitement for you. When it was bad news, she would stick by your side until everything was OK. I will cherish all my memories with Terry! I feel blessed to be a part of her and Tom's life. Tuck family...all my thoughts and love are with you during this time. xo

“ I am so so sorry to hear of Terry's passing. I have such fond memories of her from Centennial. I remember just laughing and laughing all the time with her about just the smallest things. We also used to dress alike sometimes just to see what people at work would say. Silly, but that's the way she was. Tom and Terry had me over for dinner one night, and I remember her telling me that her favorite spot in the world was on that back porch sitting in the sunshine. I know the sun is shining on her beautiful face right now.

*Please accept my sincere condolences...*
