

Theodore W. Caskey

April 30, 2025

Theodore William Caskey was born on the East Bay of San Francisco on 12/05/1983 to Kent and Laura Caskey. He was named Theodore for Kent's Father (USN) and William for Laura's Father.

Their little family lived in Pleasanton and then in Campbell, CA. Ted's brother, Joseph Paul (1986-2024) completed the family of four. Ted's parents were successful in sales; Kent in the building and construction industry in the rapidly growing Silicon Valley while Laura worked in retail.

Ted and Joe attended Larimer Elementary School where Laura was a volunteer and Kent coached them in basketball and football. They were also brought up in the Christian faith while attending Campbell United Methodist Church where his parents taught Sunday School and where he began his performing career on the altar in God's praise.

Ted graduated from the University of California San Diego with a degree in Anthropology, however his true calling was in teaching. In California he was a regular substitute teacher in his district and in Colorado he was at home using his Spanish to help marginalized children at a center called "Le Familia".

Kent, Ted and Joe were all referees in both basketball and football and although it brought in extra income, Ted saw it's a way to teach the next

generation.

Ted was led to SouthGate Church where he was welcomed, saved and became a drummer in the Praise Band.

In their retirement his parents moved to Colorado to join him.

Ted is preceded in death by all of his grandparents, by his Uncle Kurt, his parents Kent and Laura, his brother Joseph (Alyson Ring Caskey). He is remembered by his dear friend Lilia Saldana of Greeley, Uncle Joel Klaff (John Diekman), Aunt Jayne Rosandich (Steven), and Uncle Timothy Klaff (Julianna), and cousins Emily, Sarah, Samantha and Melissa and their children.

Please join us in a Celebration of Life for God's son Theodore William Caskey on Sunday, May 18, 2025 at 1:30 pm. The Memorial Service will be led by Pastor Kevin McGinley (pk@southgate.com) at Southgate Church, 6541 S College Ave., Fort Collins, CO 80525. 970.530.4283

Ted died on April 30, 2025 soon after the one year anniversary of his brother Joe's death.

We are in the process of planning other ways that you can join us in remembering Ted. Maybe in California and hopefully in Chicagoland where our family plot is located. As these details are finalized, please check back to Ted's FB page or email his aunt: jayne.rosandich@gmail.com

Your love, friendship and fellowship bring the Holy Spirit into our lives. Let us rejoice and be glad in it!

“ Thanks for the memories, Ted. You were one of my first buds when I moved from Monterey, Ca. to Campbell, Ca. in 1997. You had such a great spirit about yourself and I could never be mad at you for an extended period of time. Thank you for making me feel wanted at Prospect High School in Saratoga, Ca. You will forever me missed and thanks so much for being my friend.

I miss you Ted. Ted and his parents let me live with them for awhile, back when I was going through a tough financial time. It's sad, everyone in his immediate family is dead now. Ted, his brother, both of his parents. I wasn't aware of any other brothers or sisters. But Ted got me going to church, I got baptized by Pastor Kevin. Ted's mom and I went to go see the Broadway show "Hair" at some venue in Greeley or other. Ted's dad Kent? Well the man drove me to Walmart to buy some super glue and a box of large bandaids, I cut myself really bad one time.... Ted's family were good people. Ted was a good friend of mine. I didn't find out Ted passed away until months later. Buddy I hope you and your family are all hanging out with my late brother and my grandparents in the afterlife. I hope they're all playing poker with Greg Beno as the dealer. Love you buddy.

“ Brother, you are missed and I am looking forward to seeing you in heaven and getting to listen to you play drums in the worship band in heaven. Keep jammin' until we greet each other again!

“ I always loved that, when Ted served on the worship team, any time he wasn't drumming he had his hand lifted in praise.
