

Tim Lauden

August 17, 1960 - May 10, 2008

Timothy Lauden, 47, of Fort Collins, Colorado passed on to be with his Lord on May 10, 2008 at Poudre Valley Hospital due to heart issues he's had for many years. He was preceded in death by his mother, Judith Lauden and his brother, Jeffrey Lauden. Born in Hibbing, Minnesota on August 17, 1960, Tim has made his home in Fort Collins for the past 30 years. He loved hunting and being outdoors, but also deeply respected all wildlife. He was an avid fisherman; so avid, that he considered himself a retired drywaller to pursue his dream of becoming a professional walleye fisherman. Tim is survived by his sons, Timothy and Austin; his significant other, Sandra Squires (and her daughter Morgan); stepdaughter, Jeanie Foster; father, James Lauden; brother, Trent (and wife Cita) Lauden; sister, Rhonda; grandmother, Lois Adler; aunts; uncles; cousins; niece; nephews; friends; extended family members and of course, Lydia (his puppy) who all love and will miss him dearly. A memorial service will be held at 11:00 a.m. Saturday, May 17th at The Vineyard Church, 1201 Riverside Ave., Ft. Collins. His cremated remains will be buried at the Columbarium Memory Garden at the Poudre Canyon Chapel.

“ *To Tim's family, relatives, and close friends. It is with a sad heart that Arnold and I send our deepest sympathy to all of you who mourn Tim's passing. We had met Tim on several occasions at the Sagebrush neighborhood annual gatherings. The neighborhood was fortunate to have had Tim's presence in their lives. He will be missed by all. God bless each and every one of you -- and remember the good times and good memories of Tim as you journey down this path of life without his physical presence -- he will be with all of you spiritually. Sincerely, Arnold and Darlene Sanderson, parents of his neighbor and friend Stuart Sanderson*

“ To Tim's family I want to say I am so sorry I just now found out he is now with our Lord. I wrote something for him and I really hope you do not mind if I share it. I guess that I somehow need closer.

I was seventeen

I loved you

You told me that I was worth more than I got but then I lost you, so I kept looking through all of the faces and all of the places knowing that I would see you again so that I could tell you that I loved you and that you were my friend. Today I found out that I will never see you that you have been gone for four years and I didn't know, I didn't even know I will keep looking through all of the faces and all of the place But now I know that I lost my chance to tell you that I loved you, to tell you thank you for being my friend.

“ I would like extend my condolences for your loss. And my heartfelt sympathy to his two sons, Austin and Timothy, who has lost their Dad at such a young age. And of course, to the rest of the family. Rhonda I knew you were very close to your brother. I will be praying for all of you. May the Lord give you strength during this difficult time.

I will always remember being invited to a fish fry and, HE knew how to cook.

“ To Austin & Timothy:
Your time with your father was short on this earth but I know you both had many happy times with him and many fishing and hunting trips to remember him by. Hang on to those happy memories when you miss your dad. I'm sorry you have to experience this at your young ages. Life doesn't seem fair at times. Your dad was the best father to you both that he could be. Take care of yourselves.

“ *Timmy was a great guy who loved to fish. I only got to fish with a couple of times but we always caught fish and had a great time. I am sorry that he was not able to live his dream of being a pro fisherman but I know he tried hard to do it. We all will miss you Timmy. I hope there are a lot of good fishing holes where you are now.*

“ It's been around 6 or 7 years since we've lived in Fort Collins. We were part of the Sagebrush Dr. group for only about a year. But in that year we quickly made friends with Tim and his family. He was a great friend and was willing to help out in any way he could. We send our thoughts and prayers to you and your family. May god give you peace in this time of sorrow.

“ We have known Tim and his son Austin for a few years having been neighbors in the past. Austin and my children grew up together going to the same elementary school and spent time together with birthday parties and neighborhood gatherings. We will always remember Tim as a good person. He would help us out when we knew nothing about remodeling our house and for his laugh and smile. Our prayers and thoughts are with you, Austin. Take Care.

“ Tim, I had a very short time to get to know you, but in that time I learned that you are a very hilarious guy and a great, true friend. The Lord took you too young, but you are in a better place now. You will be truly missed.

“ I only had the pleasure of knowing Tim briefly and meeting him on several occasions with mutual friends, Jona and Jerry. Those few times allowed me to see a delightful, kind and energetic person, who was devoted to Sandy and his kids. Fond memories will remain.

My sympathy to Sandy and children.

“ Oh Tim Lauden what can I say since I have moved so far away. Here I sit with my eyes full of tears just remembering you and all of our years.

You are still a great man as you were back then, GOD has you now and I will see you again.

I will miss you Tim.

“ Tim was one of those guys who was always there for his neighbors with a smile and a helping hand. One out of many examples: during the big snow storm two years ago, he helped us dig out our young neighbor and her children so they could get to Grandma's house for Christmas. We will miss him. Our sympathies to Sandra, Morgan, and his puppy Lydia.

“ *Sandy, Austin, Tim, Trent, Cita, Rhonda, Jeannie and Morgan (and of course the rest of the family...and friends..*

I found this poem and thought of all Tims family and friends...

Gone but Never Forgotten

*Those we love remain with us,
for love itself lives on.
and cherished memories never fade
because a loved one's gone....*

*Those we love can never be
more than a thought apart.
For as long as there is memory
they'll live on in the heart.*

I consider myself lucky to have been such a good friend if Tims. I cherished our friendship and loved him to pieces. He will be missed by all...

“ I am so sorry for the sudden loss in your family, and my heart goes out to all of you. While I only knew Tim "in passing" on the way to our cars coming and going, he was always so pleasant and friendly, always making sure to say hello and to ask how my day was going. I am sure that he will be missed by all who knew him. If there is ANYTHING I can do for you, please do not hesitate to ask.

“ *Colorful Eyes Speak*

Alone I am Here

*Eyes were staring
Hands you touched
The colors and such
Speak aloud in parts*

*As music is heard
Memories inside
Words of regret
Tender slides down*

*Tears in the night
A seat is missed
Hoot said the owl*

*Water will cry
Let it flow
Freely down
Reflects inside*

*For the love you gave
My heart still shakes
Hands you carried
Weeping eyes found*

*And miss that I do
Only gone yesterday smiled
Eyes twinkled with glee
Waving a hand in style*

*See you soon buddy
Words float around
Buds we were bonded*

Alone I am here

Tender in the night

A seat is missed

Hoot said the owl

Mist eyes speak
