“ *Tim was a wonderful man. So many qualities to name. He was gentle, kind, peaceful and a good listener without judgement. I remember all the visits to Cheraw where we played in the cornfields behind his house and the hide & seek where the "Black Glove" would find us. Remembering all the visits in Fort Collins. He loved the mountains.
May the Lord bless and keep you always Tim.
My deepest sympathy to Uncle Marvin, Aunt Rita, Marla, Meridith and families. May God Bless you with love and comfort.
Goodbye Tim, I love you! Your cousin, Janice*

“ *Although we had lost touch in the past few years, Tim was a very dear friend. He would do anything he could to help me and my children, Nicki and Tyler. When Nicki was born, Tim came to visit us in the hospital and I will never forget the smile on his face as he held her. Tim lived with us on and off for many, many years and was very protective of me. His love for animals was never-ending. He was always there with a helping hand and a smile that brightened my day. We are all saddened by his passing., We will miss you Uncle Timmy!

“ *Tim, Stephen, Marvin and Jean lived next door to my parents when I was a teenager. What a loving family they were and Tim was a delightful toddler. It does not surprise me that he had a love of animals and nature as he was a gentle little child. My sincere sympathy to Marvin, Rita, Stephen and his special friend. I will donate to an animal shelter in his memory.*
