“ Tim was the most loving and generous person I know. It was an honor to call him my stepdad although we were much closer than that. I will always cherish our wonderful times together. Tim was the most unselfish human being he would do anything for others. He loved helping people regardless of who they were. That's the kind of person he was. You will be forever in our hearts and I hope to live my life as unselfish as you did.

So sorry to hear about this. What a wonderful man he was. Worked along side Trish and got to know Tim there, he was always ready to help whomever needed help. Sending prayers to the family.
